Summary

Aim HIGH, Reach HIGHER!

Experience

Project Engineer

Soliton Technologies

Aug 2020 - Present (1 month +)

LabVIEW Developer- Intern

Soliton Technologies

Jan 2020 - Mar 2020 (3 months)

The Internship gave a clear insight for solving problems and creating applications, using Data flow Programming Language - LabVIEW. This was one of the most insightful and well structured Internship program for freshers. The duration of the internship was 65 days. The internship had trained me good, to take up the certification for Certified LabVIEW Developer.

Software Developer- Intern

Zoho Corporation

May 2019 - Jun 2019 (2 months)

This internship covered topics starting from Core Java to Advanced Java; and later providing a holistic Backend maintenance training. The training and assignment - materials required a real life search for solutions, rather than providing an answer material.
